SVN 2023 /016/DJ

Position	:	Senior Migration Health Nurse
Duty Station	:	Obock
Classification	:	General Service Staff, Grade G6/1
Type of Appointment	:	Six months with possibility of extension
Estimated Start Date	:	As soon as possible
Reference	:	SVN 2023/016/DJ
Closing date	:	14/08/2023

Established in 1951, IOM is the leading UN organization in the field of migration and works closely with governmental, intergovernmental and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants.

Context:

IOM, as the leading UN agency in the field of migration, works closely with governmental, intergovernmental, and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants.

Under the overall supervision of the Chief of Mission (CoM) and the direct supervision of Head Sub office , the successful candidate will be responsible for the following duties and responsibilities in relation to the Migrant Clinic of the Migrant Response Center (MRC) in Obock, Djibouti.

Core Functions / Responsibilities:

1. Assist in the coordination of daily nursing activities in the MRC.
2. Provide health education and counselling to the migrants.
3. Assist in the development of information, health education materials.
4. Ensure implementation of a proper identification procedure for all migrants.
5. Participate in quality improvement and quality assurance procedures for nursing activities, contribute to review and update SOPs.
6. Verify the MRC pharmacy stock, analyze the data, and follow up on preparation of medical kits and emergency kits.
7. Create schedules, rotations and assign tasks to nurses, maintaining workflow, conduct assessment and providing feedback for improvement.
8. Facilitate in administrative reports preparation and program updates as necessary.
9. Contribute to the planning and execution of mobile missions if applicable.
10. Verify the pre-departure documents and assist in the preparations as necessary.
11. Perform medical escort duties when required to ensure migrants receive continued care throughout all phases of migration (before departure, during the journey and at the final destination).
12. Maintain collaborative relationships with various partners to facilitate the follow up and relevant information sharing. Partners include internal IOM departments, other health providers, panel physicians, embassies other UN agencies or NGO's and others as applicable.
13. Collect statistical information and share as per preset and agreed upon format.

14. Perform other duties as may be assigned.

Required Qualifications and Education and Experience

- Bachelor's degree in Nursing from an accredited academic institution with four years of professional work experience.
- Master's degree or higher from an accredited academic institution is advantageous
